Dear Judge Kollar-Kotally,

My name is Ron Limb and I am a high tech entrepreneur residing in Silicon Valley. I am writing this letter because I am concerned about the proposed final judgment in Microsoft's anti-trust violations. The proposed settlement does not adequately address the needs of small high tech innovators who are not able to rise out of the long shadow cast by Microsoft's monopoly in the tech industry. The business antics of Microsoft is harmful to the industry. As a concerned citizen, I object to the propose settlement.
